

Cantina Castelnuovo del Garda | “Il Vince”

Venezie | Pinot Grigio IGT

The Story: From April 1958 to today the “Cantina Veronese del Garda” has continued to engage in great wine production with the harvest of over 1000ha of vineyards, with most of their locations in the DOCs of Bardolino, Custoza, and Lugana. In addition to cultivation of the fruit, Cantina Castelnuovo prides itself on maintaining the biodiversity of the natural areas surrounding the winery, which they believe maximizes the potential of the soil for each season. Le Storie's first offering from Castelnuovo is the Il Vincè Pinot Grigio: It is not easy to find a Pinot Grigio at this price that tastes like anything other than peach water. We kissed a lot of frogs to find a wine with character, composure, and correctness. Il Vincè Pinot Grigio is great little wine with crisp acidity, flavors of apple, pear, apricot, nectarine, melon and a touch of minerality. We look forward to filling your glasses (or two!) with this competitively-priced Pinot Grigio.

Vartial: 100% Pinot Grigio

Ageing: Stainless Steel

Everything else you want to know about

this wine: Proof that you don't have to sacrifice flavor, texture and a mouthwateringly crisp finish to get bargain Pinot Grigio! From vineyards near Tentino in Italy's Delle Venezie DOC, this all tank Pinot Grigio offers up gentle aromas of apple, stone fruit and lemon rind and plump, fleshy, flavors of yellow apple, golden apricot and an nice “bop” of lemon pulp on the back palate. The lemony character keeps on pumping through a refreshingly dry finish where stone fruit and lime flavors linger. A great party Pinot Grigio.
